Please share thoughtful, thorough responses to the following six questions. Each response should be 2-3 paragraphs. Use another sheet of paper if you’d like.

1. What were the challenges you and your ensemble faced in preparing for this performance? What was most gratifying about your/your choir’s performance--and about the work leading up to the performance? If you performed in more than one ensemble, please discuss that work, as well.

2. What did you notice about the performances of the other CHS vocal ensembles? What did you think of the way they sang and the pieces they sang? Please be specific and detailed.
3. What did you notice about the performances of your fellow student musicians in the orchestras and bands? What was your experience of watching and listening to them? Please be specific and detailed.

4. What have been the most valuable things you have learned in choir so far this year? What has been the most enjoyable part of being in the CHS choir program?
5a. If you are in 9th-11th grades: What are your plans for participation in musical activities at CHS next year? Do you plan to audition for Select Choir? If so, why? Do you plan to audition for Touring Ensemble? the spring musical? Up the Octave or Sons of Pitch? If so, why?

5b. If you are in 12th grade: What would you like to gain from the remainder of your time in the choir program at CHS? What would you like to experience? accomplish?
6. We are now approximately halfway through this school year. How has your school year gone so far? (This is not specific to choir or music.) What has been your experience with your classes, your activities, your world at school, etc.?
